**NEW JERSEY STATE APPROVED CO-OP MEMBER #65MCESCCPS**  
**Repair & Refinishing of Gym Floors Time & Material Bid #MRESC 15/16-65**

Classic Sports Floors will furnish and install the following:

All work to be performed in accordance to MFMA (Maple Flooring Manufacturers Association) specifications. Perform all necessary preparation to the floor surface prior to beginning the refinishing process. This includes all tape, gum and other debris removal.

**Gymnasium – 5,870 s.f.:**

- Sand floor surface to and around permanent obstructions.
- Floor to be sanded to ensure the complete removal of finish. Final sanding cut to provide a smooth and even surface, free from scratches, drum stop marks and/or gouges.
- After sanding the floor will be vacuumed.
- Apply 2 coats of oil modified low voc finish.
- Apply standard gamelines, lettering and center circle logo as existing:
  - 1 main basketball court - black
  - 2 practice basketball courts - red
  - 4 bowling
  - 4' center logo
  - 4 four square courts
  - 6 12" circles in various colors
- Apply 2 coats of oil modified low voc finish.
- Allow floor to dry a minimum of 72 hours prior to light use.

**PRICE: \$14,252.00**

**Cafeteria – 4,266 s.f.:**

- Sand floor surface to and around permanent obstructions.
- Floor to be sanded to ensure the complete removal of finish. Final sanding cut to provide a smooth and even surface, free from scratches, drum stop marks and/or gouges.

**Notes and Clarifications:**

3 phase 208 power required.  
Owner will provide accessible dumping facilities.  
Prevailing wage rates apply

Regards,

**Doug Harvey – President**

ACCEPTANCE – Purchase orders or additional work requisitions are intended as a supplement to this quotation and cannot be used in changing or modifying information provided in this quotation. Floor finishing work is provided for labor and supplies as described above. While every attempt will be made to identify existing issues on the floor that could create aesthetic or bond issues it is the responsibility of the General Contractor and/or Owner to ensure that the surface to be cleaned and finished is visually inspected and questions or issues are discussed and resolved prior to our work commencing. Due to the extraordinary use of athletic floors and the multitude of cleaners and chemicals used in their regular maintenance Classic Sport Floors will not be held responsible for appropriate chemical bonding or chipping of any finish materials. Agreement by acceptance of this quotation or offering a purchase order or work requisition shall act as acknowledgment that these terms are agreeable to the General Contractor or Owner.
