“The 15 Minute Child Break”

covers topics such as: talking to your kids about drugs and alcohol, influence of media and pop culture, effects of specific drugs, keeping your kids drug-free, strengthening parenting skills, and utilizing teachable moments.

The 15-Minute Child Break is an interactive, one hour presentation for parents and caregivers who are concerned about children (of any age) and substance abuse. Representatives from “The Partnership” deliver an informative, engaging, and educational presentation. Participants receive age-specific information and communication skills concerning substance abuse. Parents are empowered and supported with the assurance that, even in today’s society, they are still the strongest influence in their children’s lives.
