

Howell Township Middle School South  
1 Kuzminski Way Howell, NJ 07731  
Guidance Department  
732-836-1327

Dear Parents and Guardians,

In keeping with our district's commitment to Character Education, we are delighted to continue our "KIDS WITH CHARACTER" program at Howell Middle School South.

The purpose of "Kids with Character" is to recognize those students who are already performing volunteer work, and to encourage other students to engage in altruistic activities themselves.

The "Kids with Character" program recognizes MSS students who are volunteering for non--profit agencies/volunteer services, and who complete twenty (20) or more hours of volunteer service within a twelve (12) month period. These students are invited to a special breakfast near the end of the school year, and their efforts and accomplishments are recognized.

All necessary forms are located in the Guidance and Counseling section of our Howell Middle School South website. You can also have your child stop by the guidance office and we will be more than happy to provide them with the forms.

Please feel free to contact us at the extensions or email addresses listed below if you have any questions or comments.

Thank you!
